

Save the Skin Your Child is In!

As the weather is getting warmer, all of the children will be spending more time outdoors. It's time to bring in the sunscreen! If you would like your child to wear sunscreen and/or insect repellent while at Noah's Ark, please bring it in and give it to your child's teacher. We do need to have your written consent to apply it, so please fill out the slip below and return with the sunscreen and repellent.

Also, please be sure to clearly label the bottle as to not have it confused with anyone else's.

Thank you for your cooperation!
